### Guest Speaker

**THE BODY GUARD™**

***Stress Less! Three Easy Fast Solutions to Reduce Stress with The Body Guard, Christine Barnes ND***

*A successful entrepreneur, hotelier, real estate developer, importer, manufacturer and retail chain owner, Christine Barnes was so intrigued by the secrets to her success that she put aside her business interests and trekked to India and Sweden to study them in greater depth. Many years later, Christine emerged as a stress reduction expert and health practitioner. She now shares those same secrets with audiences and clients throughout Australia.*

*An engaging and fun speaker, Christine lets us know how to manage everyday stress by identifying where the stressors are, and then taking action to reduce their impact. Her solutions will enable you to make better life and business decisions, enjoy more fulfilling relationships, improved health, and, ultimately, to live well longer.*
